BILLY BEAR CRAFT

Bb

Make a balloon bear friend. Blow up a balloon and tie it. Insert the tied knot into the cutout at the X (slit on the dotted lines) on a pair of bear feet (see pattern below); it will then stand alone. Now draw in the features of the bear with permanent markers. When the balloon friend is thrown into the air, it will always land on its feet.

Run this on white cardboard or the same color as the balloon
