

Make a Clarissa Cow Puppet

PATTERN FOR A CLARISSA COW PUPPET

The puppet is cut from 12" X 12" squares of colored felt. You will need the following:

- 3 squares of tan felt
- A small amount of pink
- A small amount of white
- A small amount of black

The puppet body pattern should be placed on a fold of the fabric at the dotted line. You will need two body parts—one for the front of the puppet and the other for the back of the puppet. **IMPORTANT: Do not glue or sew the front to the back until the other pieces are in place.** Cut out the other pieces. Sew or glue the pieces to the front head piece before putting the puppet together. Draw features on with a magic marker. (Alternative—embroider the features on.) This should be done prior to putting the puppet together. The puppet can then be sewn or glued together around the edges leaving the bottom open for your hand.

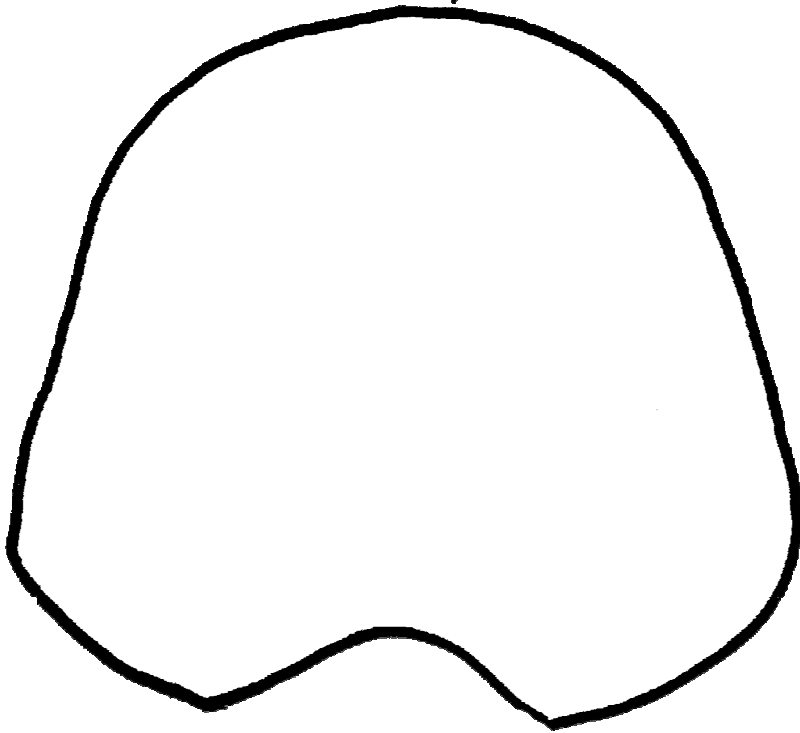

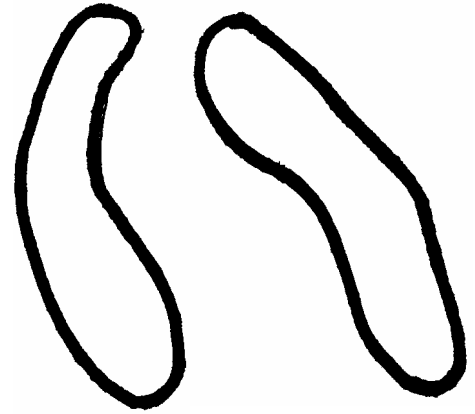

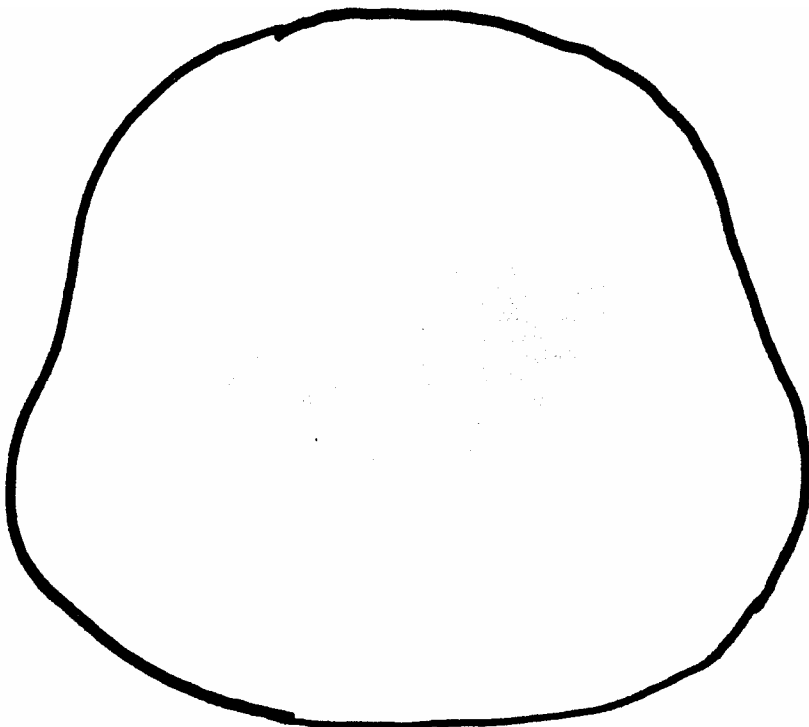

FRONT AND BACK BODY
CUT TWO OF THESE

COW BODY
PLACE PATTERN ON
FOLD OF THE
FABRIC AT THE
DOTTED LINE AND
CUT ON THE SOLID
LINES ONLY.
CUT ONE FOR THE
BODY FRONT AND
